CAREER SUMMARY:

A dedicated Web Developer with over two years of experience specializing in front-end and back-end development. Skilled in building, customizing, and maintaining websites using WordPress, Elementor, Divi, Avada, Wix, Shopify, and modern frameworks like React and Tailwind CSS.

WORK EXPERIENCE:

GoCrayons Digital Inc.

Web Developer | March 2023 – March 2025

- Created, updated, and maintained websites using WordPress with Elementor, Divi, Avada, and custom themes.
- Handled multiple Wix and Shopify projects, ensuring consistent branding, responsive design, and functionality.
- Configured and resolved website issues and technical problems.
- Implemented SEO best practices during website development to improve visibility and performance.
- Deployed websites, configured hosting and domain settings, and performed ongoing troubleshooting and maintenance.

Cavite State University – Carmona Campus

Web Developer – Intern | February 2022 – May 2022

- Developed a Student Copy of Grades web application using HTML, CSS/Bootstrap, JavaScript/jQuery, and PHP.
- Assembled, disassembled, cleaned, and maintained computers in laboratory environments.
- Assisted the IT Department in managing and organizing student files.
- Created a Google Site for the IT/Research Department to showcase projects and activities.

RELEVANT PROJECTS:

Personal Portfolio

- Built using WordPress and Elementor Builder with custom JavaScript and CSS for animation and transition effects.
- Showcases my background, the tools I use in development, and the projects I've created.
